

Uptown Charlotte Church

ON EASTER SUNDAY 2008... Grace Covenant Church launched a new church in the Uptown area of Charlotte. It is called Ephesus Church. Ephesus Church is all about impacting the culture of Charlotte with the truth of Jesus Christ. The vision is to be a foundational part of the amazing growth of Charlotte and the surrounding region. The center city of Charlotte is growing like never before and with it there is an unprecedented opportunity to reach those seeking truth and meaning. Beyond that, Ephesus Church seeks to be a partner in bringing a new relevance and dynamic to the music and arts culture of Charlotte. God is the ultimate source of creativity in the world and Ephesus Church desires to honor the Creator with creativity in music, art and culture. From there, Ephesus Church intends to lead others to the Source of it all.
